d One case typhoid fever removed to hospital prior to sailing.

CUBA.

A case of yellow fever in Cienfuegos.

CIENFUEGOS, CUBA, *January 14, 1901.*

Case of yellow fever reported the 12th.

LINDSEY,
Acting Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

Report from Havana.

HAVANA, CUBA, *January 14, 1901.*

SIR: I have the honor to submit the following report for the week ended January 12, 1901: One hundred and eight deaths are reported from all causes; only 2 deaths from yellow fever. Ten new cases of yellow fever occurred during the week, 1 being an American. Asst. Surg. F. E. Trotter, at Cienfuegos, has reported 2 more cases of yellow fever in that city. Asst. Surg. R. H. von Ezdorf cabled on January 7, 1901, that a case of smallpox had occurred in Santiago in the person of a Cuban child 12 years old. The accompanying tabulated report shows the general routine work of the station.

I inclose the mortality table for the week ended January 12, 1901.

Respectfully,

A. H. GLENNAN,
Surgeon, U. S. M. H. S.,
Chief Quarantine Officer for the Island of Cuba.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

[Inclosure.]

Report for the week ended January 12, 1901.
